SERVICES AND EXPERTISE

Residential and Commercial Development: Specializing in the development and redevelopment of high-potential properties.

- **Construction Services:** Offering comprehensive construction solutions from initial design to final execution.
- **Rental and Property Management:** Managing a variety of properties to provide quality housing solutions.
- **Consultancy Services:** Providing expert project management and advisory services for real estate owners and contractors.
- **Key Expertise:** Leveraging 40-60 years of combined professional experience across multiple trades to ensure excellence and innovation in every project.

TARGET MARKETS AND STRATEGIC APPROACH

- **Target Customers:** First-time home buyers, landlord buyers, Airbnb owners, corporate clients, investors, and more.
- **Meeting Customer Needs:** Tailoring solutions to meet diverse client requirements, ensuring satisfaction and repeat business.
- **Unique Marketing Strategy:** Utilizing innovative approaches to marketing that have proven to be highly effective in attracting and retaining clients.

MAJOR ACHIEVEMENTS AND FINANCIAL HIGHLIGHTS

- **Highlighted Projects:** Detailing several key redevelopment projects with statistics on investment returns and community impact.

FINANCIAL OVERVIEW

- **Annual Revenue:** Reported \$1.4 million last fiscal year with a profit of \$600,000.
- **Growth Potential:** With additional financial support, the company has the capability to double its revenue, aiming to reach annual sales between \$4M-\$7M.

GROWTH POTENTIAL AND INVESTMENT APPEAL

- **Future Expansion:** Plans to expand into new construction markets across Illinois and potentially nationwide, with goals to establish multiple offices and a warehouse for construction teams.
- **Investment Opportunities:** Highlighting the potential for investors to partake in lucrative deals, with consistent and attractive returns.
- **Call to Action:** Inviting potential investors and partners to contact the company for detailed discussions on collaboration and investment opportunities.
